

Heatmap visualization showing the relationship between Player total (Y-axis, 12 to 21) and Player number (X-axis, 1 to 9). The color scale ranges from 0.0 (dark blue) to 1.0 (dark red).

The heatmap displays a complex pattern of red and blue cells, indicating different values for each player total and player number combination. The pattern is highly irregular, with many cells showing values near 0.0 (blue) and others showing values near 1.0 (red).
