

Heatmap visualization showing the distribution of player counts across different age groups (12 to 21) for the 2019-2020 season. The y-axis represents the Player Count (12 to 21), and the x-axis represents the Age Group (12 to 21). The color scale ranges from 0 (blue) to 100 (red).

The heatmap displays a strong diagonal pattern, indicating that players are primarily in the same age group as their player count. Additionally, there is a significant concentration of players in the 18-21 age group, with counts ranging from 18 to 21.
